Beyond the Screen: Keeping Our Kids Safe

INTERNET SAFETY PRESENTATION

Join us for an important presentation on how to help keep your children safe in today's digital world.

THE PRESENTATION WILL COVER:

- Online safety tips and best practices
- Recognizing and preventing online threats and scams
- Protecting children on social media, gaming and other digital platforms
- Resources and tools for families

Presented by the
U.S. Department of Homeland Security

Thursday, November 19, 2026

6 p.m.
