STAFF ANNOUNCEMENT

*We're excited to welcome
a new face to our team!*

1 Tell us a little about yourself.

My name is Jalesa Earby. I have been a Special Education teacher for 10 years! I graduated from Bowling Green State University in Ohio, but I am a Michigander to my core! I have worked in the Detroit Public School system for 5 years, and I just completed my last 5 years as a Resource teacher for the River Rouge School District. Teaching is one of my greatest passions in life, and I am so very grateful and blessed to have the opportunity to join the Wayne-Westland Community School District!

2 What brought you to Wayne-Westland Community Schools?

I was looking for a change of pace and was told about the great opportunities that Wayne-Westland schools had to offer!

3 What did you do before joining Wayne-Westland?

I was a 4th–5th grade elementary Resource teacher for the River Rouge School District.

4 What do you enjoy doing outside of work?

In my spare time, I enjoy spending time with my family and friends. I also enjoy playing all kinds of games, be it puzzles, video games, or board games!

5 What's a fun fact about yourself that you'd like to share?

I am a lover of all things Disney/Pixar
