**IMPORTANCE OF
BOND 2018**

The Board of Education and school administrators believe that Bond 2018 will benefit students and the community in a variety of ways, including:

- Improving our learning environments at all schools for all students;
- Enhancing the safety and security of our schools;
- Easing the use of general fund dollars for much-needed capital projects;
- Improving the environmental quality, operational control & operational efficiency by upgrading our outdated building systems and finishes;
- Protecting our residential property values by having a strong and solid school system.
