

1st Grade SUGGESTED School Supply List

We hope you had a terrific summer with lots of exciting adventures to share! We also hope you spent some time reading great stories and playing outside.

We have a list of some **suggested** items below you might want to purchase to help out our classroom this year. The items on this list as well as the materials we provide will be enough. If other supplies are needed throughout the year, we will let you know. Therefore, students do not need trapper keepers, binders, folders, or notebooks. Thank you in advance!

Individual items

- backpack
- headphones (optional, but very nice to have in the classroom)

Items listed below will be collected for class use:

- hand sanitizer (we go through a lot!)
- 5-6 glue sticks
- 2-4 boxes of tissue
- scissors
- 1 plastic two pocket folder
- 1 plastic pencil box (please, no pencil pouch)
- 16 or 24 count Crayola crayons
- 1 container cleaning wipes
- 1 box gallon size bags

Please send in ONLY the suggested school supplies...extras will be sent home due to limited desk space. Thank you in advance.

Sincerely,
Mrs. Held, Mrs. Taylor, Mrs. Williams
