GENERAL AGREEMENT

This agreement entered into on the 1st day of July 2022, between the Wayne-Westland Community Schools (hereinafter referred to as the "Employer") and the MEA Local Four (hereinafter referred to as the "Union".)

PURPOSE AND INTENT: The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1

Recognition

1.1

Pursuant to and in accordance with all applicable provisions to Act 379 of the Public Acts of 1965, as amended, the employer recognizes the Union as the sole collective bargaining agent for hours, wages and other conditions of employment as certified by the State Labor Mediation Board on September 8, 1999, for all Wayne-Westland Community Schools of the Food Services, Student Monitors, Operations, Transportation Department or any other employee as certified by the State Labor Mediation Board.

1.2

Traditional bargaining unit work shall generally be performed by MEA Local Four members provided proper equipment and expertise is available within the district. The Board shall retain the right to make the final determination.

1.3

All references to the word "days" will mean working days unless otherwise specified.

1.4

The term "fiscal year" shall be defined as a year beginning on July 1 and ending on June 30.

ARTICLE 2

Aid to Other Unions

2.1

The employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining within the named bargaining unit or make any agreement with any such group or organization for the purpose of undermining the union.

ARTICLE 3

Reserved

ARTICLE 4

Membership Information

4.1

Within thirty (30) days of the beginning of the employment hereunder, the bargaining unit employee may sign and deliver to the Board an assignment authorizing the deduction of membership dues and assessments to the Association (including the National Education Association and the Michigan Education Association). Such authorization shall be voluntary since it is understood that the payment of dues is not a condition of employment. Written notice of revocation shall be effective to cancel all deductions after the date the written notice is received by the Board. If the notice of cancellation is received less than four days prior to the next payroll date, the cancellation will be effective for the next payroll date.

ARTICLE 5
Representation: Members of Representative Units

5.1

The number of representative groups in the school district shall be four (4): custodial/warehouse, food services, transportation and student monitors.

ARTICLE 6
Stewards

6.1

Employees selected by the Union to act as union representatives shall be known as "stewards". Annually the Union shall provide, in writing to the employer, the names of employees selected as stewards and union officials.

6.1.1

The Union shall have district stewards to represent its divisions as follows:
OPERATIONS (Custodial/Warehouse): Four stewards.

FOOD SERVICES/STUDENT MONITORS (Elementary/Secondary): Three stewards.

TRANSPORTATION (Bus Drivers and Attendants): Three stewards.

6.2

In the event an employee feels their health and safety will be immediately jeopardized because of their work assignment, the employee has the right to call their immediate supervisor and a shift steward or, if not immediately available, any Union Officer available during the shift to discuss the situation.

6.3

The stewards, or any Local Union Officers during their working hours may, in accordance with the terms of this section, investigate, present and adjust grievances to the employer upon prior verbal or written notification to their supervisor. In a timely fashion, a written record describing the time spent on union business will be provided.

The immediate supervisor will grant permission and provide sufficient time to the stewards to leave their working stations during working hours without loss of time or pay. This release from work is subject to the understanding that the time will be devoted to proper handling of grievances and will not be abused, and that stewards will perform their regularly assigned work. Any alleged abuse by either party will be proper subject for Special Conference.

6.4

A Union Officer shall have access to any building where they are investigating legitimate Union business. The officer shall give prior notification, as outlined in Article 6.3, to their supervisor before investigating the complaint. Upon entering a school building during

regular school hours, the Union Officer shall make the school office aware of their presence in the building.

A Union Officer shall be a member elected or appointed to any Union office by the membership at any duly authorized Union meeting. The Union offices shall consist of the following: President, Vice President, Secretary, Treasurer, and Stewards.

Management shall supply to the Local Union, the names and phone numbers of supervisory personnel to be notified by the Union.

Union officials shall meet monthly with representatives of the Human Resources Department and other District officials, as the situation warrants, to discuss ongoing problems and other important matters of mutual interest and concern. A preliminary discussion shall be held prior to the monthly meeting to set the agenda. Additional meetings may be called by mutual consent.

Employees other than the President and either the Vice President, or Secretary, shall request prior approval from their immediate supervisor to be in attendance.

Special conferences held during an employee's regularly scheduled work hours shall not cause the employee to lose time or pay for attendance at such special conferences.

Special conferences may be attended by outside consultants.

Grievance hearings, Health and Safety committee meetings, and bargaining sessions are not to be considered Special Conferences.

ARTICLE 8 Grievance & Arbitration Procedure

8.1

Any dispute which arises between the parties involving the application or interpretation of this Agreement may be grieved in accordance with this Article. (Written responses from management shall be sent to the Local President, the MEA office, and five (5) copies to the Secretary for distribution).

8.2

Step 1 Oral Presentation

An aggrieved employee, promptly, but in no event later than six (6) working days after the employee/s had knowledge of the facts giving rise to the grievance, shall notify their

supervisor that they have a grievance. A conference shall then take place between the affected employee/s and their supervisor and any administrator directly involved. The conference to attempt to resolve the dispute shall take place within three (3) working days of the date the grievant/s notified the supervisor of the grievance and prior to the submission of the formal written grievance. The employer will have six (6) working days in which to reply in writing.

8.3

Step 2 Presentation of the Grievance in Writing

The steward or alternate or their designee, shall submit the written grievance to the Supervisor of the Department within six (6) working days of the step 1 response, if the grievance has not been resolved at Step 1. The supervisor of the department shall respond in writing within five (5) days. The day of submission is not considered the first day.

8.4

Step 3 Submission to the Human Resources Department

If the grievance is not resolved as a result of the Step 2 response, it shall be presented in writing by the Union to the Human Resources Department within ten (10) working days after the response of the Supervisor is due.

Upon receipt of the written grievance, the Employer shall set a time and place during working hours, within the next ten (10) work day period for a hearing of the grievance with the aggrieved employee(s), their steward, and a reasonable number of union officials. In such a case, the Employer shall make arrangements for the employee(s), the employee's steward, and Union officials to be excused from work for the hearing. The Senior Executive Director for Human Resources or their designee shall respond in writing within ten (10) working days following the Step 3 hearing.

8.5

Step 4 Arbitration

If the grievance is not resolved as a result of the Step 3 grievance hearing, the Union may request arbitration on the grievance within thirty (30) days of the Step 3 response. A copy of the notification of intent to arbitrate will be forwarded to the Superintendent or their designee. The Union will have thirty (30) days after notification of intent to arbitrate in which to submit for arbitration.

8.6

The arbitration proceeding shall be conducted in accordance with the rules of the American Arbitration Association by an arbitrator to be selected by the Employer and the Union within seven (7) days after notices have been given. If the parties fail to select an arbitrator, the American Arbitration Association shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the Employer and MEA Local Four shall have the right to strike two (2) names from the panel. The party requesting arbitration shall strike the first name, the other party shall then strike one (1) name. The process will be repeated and the remaining person shall be the arbitrator.

8.7

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the MEA Local Four. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided that it pays for the record and makes copies available without charge to the party and to the arbitrator.

8.8

The findings of the arbitrator shall be final and binding on both parties.

8.9

The arbitrator will have no power to alter, add to, or subtract from the terms of this Agreement.

8.10

If an employee is required during the workday to participate on behalf of the Union with any representative of the school board in any grievance procedure, including arbitration, said employee shall be released from assigned duties without loss of salary.

8.11

The Union, upon the mutual consent of the Board, may process a grievance in an expedited manner by processing it immediately to step 3 or to step 4.

ARTICLE 9

Time of Appeals

9.1

Any grievance not appealed from an answer at the first step of the grievance procedure to the second step of the grievance procedure within six (6) working days after such answer shall be considered settled on the basis of the last answer and not subject to further review.

9.1.1

The grievant and/or the Union shall be responsible for timely filing of grievances.

9.2

A grievance may be withdrawn with or without prejudice, and, if so withdrawn, all financial liabilities shall be canceled. If the grievance is reinstated, the financial liability shall date only from the date of reinstatement. If the grievance is not reinstated within twenty (20) working days from the date of withdrawal, the grievance shall not be reinstated. Where more than one (1) grievance involves a similar issue, those grievances may be held in abeyance by mutual agreement of the parties pending the disposition of the appeal of the representative case. In such event, the withdrawal will not affect financial liability.

9.3

Grievances which by contract are allowed to begin at a step higher than the beginning step, shall not be deemed defective in procedure if the Union chooses to start at a lower

level than provided by contract.

9.4

The Employer will not deny approval to use district property for hearings.

ARTICLE 10

Withdrawal of Cases

10.1

After a case has been referred to the Arbitration Association, the case may be withdrawn.

10.2

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at their regular rate, unless overtime was involved in the case.

ARTICLE 11

Discipline & Discharge

11.1

Disciplinary action or measures shall normally include the following:

Verbal Reprimand
Written Reprimand
Suspension
Discharge

An Employee upon their request is entitled to Union representation during a disciplinary hearing or any meeting that may lead to discipline. Before any such meeting takes place the Employer will inform the employee of their right to Union representation.

When the affected employee requests the presence of a union representative, the meeting will not proceed until the representative is in attendance. At no time will such a meeting be delayed more than forty-eight (48) hours.

Investigative meetings shall not be unduly delayed because of the unavailability of a union representative when the health and safety of students is in question.

11.2

Disciplinary action may be imposed upon an employee for failing to fulfill their responsibilities as an employee. Any disciplinary action or measure imposed upon an employee may be processed as a grievance through the regular grievance procedure.

11.3

If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. Discipline shall be consummated in a timely fashion that will not embarrass the employee or the Employer. The employee will be notified within five (5) working days of knowledge of

occurrence by their supervisor or administrator and that disciplinary action may take place.

Old or vague incidents, which are not a matter of grievance records or disciplinary action file, are not to be used when dealing with current issues under discussion of special conference.

All information contained in the Personnel File of an employee, which forms the basis for disciplinary action, shall be made available in writing to the Union upon the written request of the employee.

11.4

The Employer shall not discharge any employee without just cause. If, in any case, the employer feels there is just cause for discharge, the employee involved will be suspended for five (5) days. The employee and their steward will be notified in writing that the employee has been suspended and is subject to discharge after the five (5) day suspension period.

11.4.1

The union shall have the right to take up the suspension and/or discharge as a grievance at the third step of the grievance procedure within the five (5) day suspension period and the matter shall be handled in accordance with this procedure through the final step of the grievance procedure if deemed necessary by either party.

11.4.2

Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and full restoration of all other rights and conditions of employment.

11.4.3

Use of past record: In imposing any discipline and/or discharge, the employer will not take into account any prior infractions which occurred more than three (3) years previously nor impose discipline on any employee for errors or mistakes on their employment application after a period of two (2) years from their date of hire. The exception to this would be if the error or mistake was not reporting a felony conviction, which may lead to a problem in regard to students and/or school plant.

11.5

Any employee who has been suspended without pay from duty will be disqualified from consideration for any promotion for a period of six (6) months from the date of the suspension.

ARTICLE 12

Seniority Probationary Employees

12.1

The district shall consider new employees hired into the unit as probationary employees for the first forty-five (45) days worked. The employee's seniority shall begin tolling from

their first day on the job as a bargaining unit member.

12.1.1

If the district rehires an employee, they shall retain experience credit on the salary schedule at the same step/level they were last employed by the District. Upon such return, however, the employee will not retain previously earned seniority for promotional or assignment purposes.

12.2

The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this agreement. The discharge of a probationary employee shall not be subject to the grievance procedure.

12.3

Beginning July 1, 2007, if two (2) or more new hires begin work on the same date, the district shall distinguish their seniority order by a lottery drawing. This drawing shall be performed by the union president or their designee, in the presence of a Human Resources representative.

12.4

A status sheet with the name and department of a new employee assigned with date hired shall be sent to Local Four Treasurer.

ARTICLE 13

Training

13.1

Local Four MEA/NEA employees shall be reimbursed 100% of the tuition cost for courses taken through duly accredited schools, approved by Management, which would increase the employee's qualifications for positions covered by this contract. These courses must be successfully completed before reimbursement will be made. The Employer shall reimburse the employee up to thirty dollars (\$30) for the cost of books per class upon proper documentation of cost. Management will provide a list of approved schools.

Said classes must have prior written approval from the Executive Director of Human Resources or their designee. The class must be directly related to a particular classification covered by this contract. The Executive Director of Human Resources may approve course offerings not directly related to MEA Local Four job classifications.

It is in the best interest of the school district and employees to keep abreast of technical and procedural changes which enhance job performance and efficiency.

Management shall conduct seminars and in-service programs, which will directly assist employees in their performance of duties assigned by Management. For any seminar or in-service which requires attendance outside the confines of the district; the school district shall absorb the costs.

If a request is denied, the reason for denial will be submitted to the employee(s) and the Union and shall be subject to the grievance procedure.

13.2

The District may provide all members a minimum of one (1) day of professional development. For food service and transportation this training will be held on a day designated in the school calendar as a professional development day. Custodial training shall be held during mid-winter recess in the school calendar. No employee will be allowed to use a personal business day on a training day. Use of a sick day on training day shall be subject to administrative review.

ARTICLE 14
Seniority List

14.1

The seniority list will show the names of all employees in each group defined in Article 5.1 with group seniority date and original hire date, if different.

14.2

The Employer will provide semiannual seniority lists via electronic mail to the President of the Local, the MEA office, and the Stewards. The seniority list will also be placed on the District's website behind the Staff Door.

ARTICLE 15
Loss of Seniority

15.1

Seniority shall cease when employment is terminated.

ARTICLE 17
Supplemental Agreement

17.1

All supplemental agreements shall be subject to the approval of the Employer and the Union.

ARTICLE 18
Layoff Defined

18.1

Layoff and/or reductions in the working force may occur because of a decrease of work, lack of funds, elimination of a position or the closing of a building or buildings.

18.2

If it becomes necessary for a layoff or a reduction in the work force, the following procedure will be followed:

- A) All transfer requests shall be honored prior to instituting the "bumping" procedure. Open positions created by position reductions shall not be considered open for transfer, (see 18.6) except to persons holding more seniority with a transfer request in for position, shift or building prior to initiating bumping procedure.
- B) Probationary employees within the affected group or groups will be laid off first.
- C) Employees will be laid off or reassigned first using the following procedure:
 - 1) The lowest senior employee(s) will be removed from each classification of a group until the number of employees left in each classification of a group equals the number of available positions.
 - 2) Each employee who was removed in accordance with paragraph (1) above shall have the right to bump into the last classification they previously held in a permanent status change, provided that it is held by a lower senior employee. The employee who must bump to a lower classification shall receive that classification's pay rate at their current step.
 - 3) Each employee who was removed from their classification as a result of another employee's bumping into the classification in accordance with the above section (18.2.C.1 & 2) and who has more seniority within another group of MEA Local Four than someone still in a position within that group, may bump the lowest senior employee within that group.
 - 4) If no position is produced for an employee following the above procedure, the employee will be laid off.

18.3

Employees to be laid off for an indefinite period of time will have at least twenty (20) working days' notice of layoff. The Local Union President will receive notice of the employee(s) to be laid off.

18.4

Union employees on full layoff may be used as replacements for graded positions and will be paid at the rate of pay for that assignment. Employees on full layoff called for replacement duties will be called by their seniority at the time of layoff.

18.5

All employees on layoff will continue to accumulate seniority for as long as they remain eligible for recall as stipulated in Article 19.4.

18.6

No non-bargaining unit employee will work in a position from which a person is laid off

until the recall procedure is exhausted.

18.7

Laid off employees will be given priority opportunity to be used for daily substitute work, provided they have the ability and qualifications to perform the work. They will be paid at their hourly rate prior to layoff. In the event they are replacing a higher grade, they will receive the hourly rate for that classification on their current step. They will be offered this opportunity before any nonunion employee, and, if they choose to participate, will be placed, accordingly, by their respective seniority, into the substitute pool of that group/division and called in accordance with the established call-in procedure for that group/division.

Temporary vacancies which exceed five (5) working days shall preempt section 46.1 in the event there remains a displaced head custodian or shift leader or cafeteria leader of that classification. The displaced employee shall be offered the temporary vacancy beginning with the sixth (6th) workday.

ARTICLE 19
Recall Procedure

19.1

When the work force is increased after a layoff, employees will be recalled according to seniority, as defined in Articles 45, 56, and 68. Notice of recall shall be sent to the employee at their last known address by registered or certified mail. If an employee fails to report within ten (10) working days from the date of mailing of notice of recall, they shall be considered a quit. The employer in proper cases shall grant an extension provided the employee makes written notification postmarked within timelines stated above.

19.2

Employees who were forced to bump from a preferred classification shall retain their right to be recalled to their original classification for a period of one year should that job reopen. This return to an original classification shall be done before a laid off employee is recalled.

19.3

A job shall be considered open if no employee has recall rights to it.

19.4

Laid off employees shall have recall rights for a period equal to their accumulated district seniority at time of layoff or two (2) years, whichever is greater.

19.5

Employees returning from layoff shall return at the wage increment held prior to layoff. When the interrupted year of service is completed, they shall be incremented to the next step. This date then becomes their new anniversary date for wage increments.

ARTICLE 20

Veterans

20.1

Reinstatement of Seniority Employees: Any employee who enters into active service in the armed forces of the United States upon honorable discharge or honorable separation of such service, shall be offered reemployment in their previous position or a position of like seniority, status and pay.

Except as hereinafter provided the reemployment rights of employees will be limited and/or extended by applicable laws and regulations.

ARTICLE 22

Educational Leave for Veterans

22.1

Employees who are in some branch of the Armed Forces, Reserve or National Guard will be paid the difference between their reserve pay and their regular pay with the school district when they are on full time active duty in the Reserve or National Guard, provided that proof of service and pay is submitted. A maximum of two (2) weeks per year is the normal limit.

ARTICLE 23

Unpaid Leaves of Absence

23.1 GENERAL PURPOSE LEAVE

General purpose leaves, for an employee who has completed two (2) consecutive years of service to the District in the Local 4 bargaining unit, may be granted for up to one (1) year, excluding other employment.

23.2 PARENTAL LEAVE

This leave will be granted for up to one (1) year. An extension of one (1) year may be granted. In the event of the death of the child, the leave may be terminated by the employee with the sixty (60) day notice being waived.

23.3 MEDICAL LEAVE

Leaves of absence apart from paid sick leave for medically verified illness will be granted upon employee request and proper documentation for a period up to one (1) year.

The Board reserves the right, at its option and expense, to have the employee examined by a physician designated by the Board with respect to any of the timelines. In the event

of conflict between the statements of the two (2) physicians, the statement of a mutually agreed to third physician will prevail.

Employees returning from medical leave shall submit a medical release validating the employee's capability to perform in acceptable fashion.

23.4 General Conditions

- A) Requests for leaves of absence shall be sent to the Human Resources Department with a copy to the Supervisor. The request shall include the reason for the leave, along with notification of the beginning and ending dates of said leave.

- C) Seniority shall not accrue for any unpaid leave of absence.
- D) All leaves shall be without pay or benefits.

23.5 Involuntary Leave

An employee may be placed on an involuntary leave for just cause.

For purposes of determining an involuntary leave, the Board, upon notice to the Union, may make a written request requiring the employee to provide the results of a physical/mental examination from their doctor to determine the employee's ability to perform the essential functions of their job with or without accommodation. The Board shall pay for this examination.

If the Board is not satisfied with this report or if the employee does not provide this report, the Board, upon notice to the Union, may require the employee to submit to an examination by a doctor of the Board's choice. The Board shall pay for this examination.

Either party may request a third examination performed by a physician of mutual consent. This examination shall be paid for by the Board. Both parties will be informed of the examination results.

An employee placed on involuntary leave as provided under this article shall be paid their regular standard hours and pay rate (excluding any overtime or extra work/extra pay compensation). Furthermore, the employee's fringe benefits shall continue without interruption, and their sick or personal business banks will not be charged during the period of the medical examinations.

23.6

Failure to make a timely return from any leave of absence listed in Article 23 may result in termination. In such cases, the employer shall send written notification to the employee

The parties agree to the following interpretation concerning dual insurance coverage:

1. The employee and their spouse may carry separate hospital-medical insurance policies, provided that no dual insurance coverage shall ensue from such insurance for the employee, their spouse, and any member(s) of their family, including children. For example, the employee may select single subscriber coverage paid for by the Board, if their spouse covers themselves and dependent children under another employer's hospital-medical insurance coverage.

A husband and a wife, however, who both work for the District shall not have the option of dual insurance coverage paid for by the Board under two separate coverages.

2. The following coverages shall not be considered dual coverage for purposes of Article 37.11:
 - A. Hospital-medical insurance coverage provided under a pension or retirement plan, including OHIP.
 - B. Hospital-medical coverage provided by another employer, but whose premiums are paid by the employee's spouse in the amount of 50% or more.
 - C. Hospital-medical coverage provided through health and welfare funds.
3. The District will provide dual insurance coverage as exceptions to the number one (1) above in the following situations:
 - A. If legal decrees, such as divorce decrees, dictate that the dependent's hospital-medical coverage be provided by the employee and/or their spouse resulting in dual coverage;
 - B. If pre-existing conditions prevent continuous hospital-medical coverage for the employee, spouse and/or any dependent as a result of the transfer of, or dropping by the Board of other employer paid insurance in compliance with number one (1) above.
4. In the event that a spouse's employer refuses to drop or reduce its hospital-medical coverage, the employee shall provide a letter from their spouse's employer as proof

of refusal to drop or reduce its hospital-medical coverage. In this instance, the District will pick up the insurance coverage for the employee and dependent children.

5. Dual hospital-medical insurance coverage will be allowed temporarily for the employee, spouse, and their dependents, if the request for dependent coverage does not fall within the spouse's insurance open enrollment window period. Such dual coverage shall be extended until the effective date following the next open enrollment period.
6. The District shall provide hospital-medical insurance coverage for the employee and dependent children in instances where the employee's spouse would lose other insurance benefits (e.g., life insurance, LTD insurance) by dropping or reducing their employer paid hospital-medical insurance program.
7. Dual hospital-medical insurance coverage shall be allowed for the employee and their over age dependents, when the spouse's policy does not provide for said coverage.

The District shall allow dual hospital-medical insurance coverage when the spouse's employer paid hospital-medical insurance program covers less than 80% of reasonable and customary benefits provided by the traditional full family hospital-medical insurance program identified in Article 37.11 above, including deductible. For purposes of implementing this subsection, the MEA/Local Four shall appoint a representative to meet with a designee from the Employee Services Department in order to review employee requests for exemption from the parties' agreement of no dual hospital-medical insurance coverage because of inferior coverage. If the representatives cannot agree to approve or deny a member's request for exemption under number 8 above, MEA/Local Four may submit the issue to final and binding arbitration under Step 4 of the grievance procedure.

An annual survey may be distributed by the Board to all employees carrying Board paid hospital-medical insurance for the purpose of updating eligible dependents. This survey will be sent out along with the insurance application in the fall of each year. Failure to complete and return the survey and/or application within thirty (30) days may result in loss of hospital-medical insurance benefits.

ARTICLE 40

Evaluation

40.1

Each employee will be formally evaluated every three years for the purpose of helping the employee succeed in their assignment. This cycle does not prohibit the District from evaluating the employee more often than every three years. Management will provide the evaluation instrument with Union input.

If a supervisor notes a deficiency in the employee's evaluation, besides identifying the area of concern, they will provide suggestions for improvement.

40.2

Local 4 employees who are subject to DOT drug and alcohol testing will be tested in accordance with federal and/or state regulations. Those Local 4 employees not subject to DOT regulations may be tested for reasonable suspicion. The refusal to submit to a test will be considered a positive finding and may result in disciplinary action up to and including termination.

An employee suspended for testing positive for marijuana only shall be granted reinstatement on a one-time basis only after evaluation by a Substance Abuse Professional (SAP) and, if necessary, a treatment program is entered into. The employee will be responsible for the full cost of the SAP evaluation(s) and any treatment. Additionally, upon the employee's return, they will be compensated at the rate of the assigned position.

40.2.1

Employees will be offered training and educational materials explaining the alcohol and controlled substance testing procedures. All such training shall be considered work time. Each employee shall be required to sign a statement verifying receipt of the training and educational materials. Employees opting not to participate in the training shall sign a statement indicating their non-participation. Non-participation shall not be considered a valid defense for refusal to submit to a screening.

OPERATIONS DIVISION

Custodial and Warehouse Groups

ARTICLE 45

Seniority-Non-Probationary Employees

45.1

Seniority shall be on a group basis as defined in Article 5.

45.2

Seniority is the guide rule for the purpose of job security which applies to the following categories:

- Vacation
- Transfer (within a classification)
- Downgrade
- Promotion
- Overtime
- Layoff
- Reduction in Force
- Shift Preference

45.3

Seniority is an employee's guarantee that he or she will have full employment as long as feasible as compensation for their years of devoted services.

45.4

Persons returning to Local Four who have prior seniority in the department shall enter at the lowest open C-1 position not applied for by a member of the Custodial Department when posted. This action shall not displace a member of Local Four Custodial/Warehouse departments.

45.4.1

Local Four seniority will be frozen in the original group, and will proceed from date of return, if applicable.

45.4.2

The employee will have ten (10) actual working days to determine whether or not to remain in the new position. If, for a valid reason given to the employer in writing, the employee decides not to remain in that position at any time during the ten (10) day trial period, they shall revert back to position they left without loss of seniority and at their prior pay rate. If the position previously held is no longer available, the District will place the individual on special assignment until a position of like nature becomes available. At no time will the employee lose time or pay, because of the decision to return.

The Employer, during this thirty (30) day trial period, has the right to evaluate the employee and, after showing just cause, may either reassign them to their prior

classification should the position still be open or assign the employee special duty in their group until a position of like nature becomes available. Notice and reason will be submitted to the employee with a copy to the Union.

When an opening occurs as the one held previously, the District shall place them into that position without the position being posted.

It is understood that the District's reassignment or assignment will be at the employee's prior pay rate without loss of seniority.

45.5

Persons leaving the Union for a managerial position shall retain their accumulated seniority as a Union member and be permitted to return to the unit with their accumulated seniority as in 46.4.

ARTICLE 46

Temporary Vacancies

46.1

The employee who worked in the temporary assignment shall be returned to their former position upon the return of the employee they had temporarily replaced or upon the proper filling of that position.

46.2

CUSTODIAN AND WAREHOUSE: When management has prior knowledge of a temporary vacancy during the school year when students are scheduled for instructional days, management will replace the following positions from day one (1) of the vacancy:

- 1) All Elementary Custodians
- 2) Building Shift Leader

When management has prior notice that the chief warehouse leader (W-1), middle or high school's head custodian will be absent, the position will be replaced no later than the third day.

All other positions will be filled if possible by management.

In filling temporary positions, the District shall, by seniority, give preference to the employees in the building who have indicated in writing their interest in temporary assignments. If no one from the building applies, the District will, by seniority, give preference to other applicants who have indicated in writing their interest in temporary assignments. If no form is on file for an employee, they will not be considered for temporary assignments at that time.

46.2.1

When students are not scheduled for instructional days and management has prior knowledge of a temporary vacancy, the following positions shall be filled beginning day

one (1) of the vacancy by seniority within the building, (District, if applicable):

1. Chief Warehouse Clerk
2. High School Shift Leader
3. Elementary and Middle School Head Custodians (not applicable on non-instructional days when the afternoon shift works days)

Building usage may require the shift leader assignment to remain on the second shift.

Vacancies in all other positions shall be filled when deemed necessary by management for the effective and efficient operation of the building and school district.

46.3

If an employee refuses or is unavailable to accept a temporary assignment when the vacancy occurs, they will forfeit their right to that temporary assignment.

An employee who, on eight occasions during a fiscal year, refuses or indicates they are unavailable for a temporary assignment shall have their name removed from the temporary assignment list for the balance of that fiscal year.

46.4

If an employee accepts a temporary vacancy assignment for a specified period of time they may not be offered another temporary assignment until the first assignment expires or until they have returned to their permanent classification for a maximum of one (1) working day.

46.5

Employees will not be allowed to make "Temporary" downgrades and/or lateral moves for the sole purposes of building and shift preferences.

ARTICLE 47 Promotions

47.1

The promotion of employees or advancement within the bargaining unit is the responsibility of management subject to the procedures set forth in this Article.

47.2

- A. Functional literacy is necessary for certain classified positions within the bargaining unit. Written examinations will be conducted for all employees interested in promotional opportunities. Promotional examinations will be administered in the Human Resources Department. Employees are eligible to take exams every six (6) months from the anniversary date of their last classification exam. Employees will be responsible for scheduling a testing appointment for a promotional examination with the Human Resources Department. Employees must test before or after their scheduled shift. Employees will not receive pay for time spent testing.

Any employee may request an oral examination in lieu of a written examination. Applicable job descriptions will be available on the District's website.

GROUND RULES FOR MEA LOCAL FOUR TESTING

1. Questions for each test will be submitted jointly by the Committee with the assistance of one or more personnel serving in the same classification for which the test is being developed.

2. Tests for each classification will be developed. These tests will be reviewed by the Committee prior to being administered.

3. A passing score of seventy-five (75%) must be achieved by an employee before that employee will be considered for promotion. All employees with a passing score shall be placed on a master list. The most senior employee with a passing score shall be given the opportunity for promotion first, the next most senior second, and so on.

Passing test scores for promotional purposes are valid for five (5) years. Further, a passing test score on any test shall also count as a passing score on any test of a lower "C" classification. Employees attempting to promote to a head custodian position must have either a valid passing score on the test for the desired position or a passing score on a head custodian test of a higher classification.

The position of pool operator will not be subject to the above testing procedures. Pool operators must be certified as outlined by the Michigan Department of Public Health.

4. All completed tests shall be maintained in the Human Resources Office for a period of sixty (60) calendar days. Employees wishing to review their test results may do so by making an appointment with the Director of Human Resources. Test results will also be shared with the LOCAL 4 president.

Such a review will be in the presence of the Director of Human Resources and may include, if the employee wishes, a Union officer.

During the review process, the employee will be provided their test and the answers. The employee will not be given the test or a copy of the test to keep. The employee may not take notes during the test review meeting.

5. Tests may be reviewed, revised, and/or rewritten at any time the Committee deems necessary.

B. The senior applicant, who successfully qualifies in step A, will be given a twenty (20) actual working day trial period to prove their ability to perform the job assignment.

C. A practical examination may be conducted to judge the applicant's general skill and basic ability based on job description during the trial period but not prior to the 20th working day. This exam will be administered by Management. Failure to demonstrate

basic skills of the job qualifications will be just cause for disqualification. Two (2) Union Representatives will be present for all examinations as observers.

47.3

A joint Union-Management committee will establish the criteria for the written, oral and practical examinations.

47.4

Employees applying for a posted position of equal pay rate, but different grade or classification status shall be subject to the procedure set forth in section 47.5.

47.5

The District will post approved vacancies on the District's website (<http://wwcsd.net>) for five (5) working days.

A copy of the posting will be sent electronically to every building and the Local 4 President. A copy will also be sent to the Head Custodian in each building, who will be responsible for posting a hard copy in the building.

In order for an employee to be considered for the posted position, or any resultant openings from the posting, they must complete and submit an online Local 4 internal posting application form.

In accordance with Article 47.8, any job posting that would be subject to transfers under Article 48 will be filled after all proper transfers take place.

The District will then list and email each applicant in seniority order, based on qualifications. Each applicant will have the option of either accepting a position or passing. If a member does not respond within forty-eight (48) hours, the District shall move to the next qualified person on the seniority list.

As members transfer via the posting, the resultant openings will be added to the vacancy list. The District will resume emailing candidates in order of seniority and qualifications and resultant openings will be awarded based on seniority and qualifications. An employee who passed earlier in the process may elect to accept a resultant opening.

Acceptance of a position will remove the employee from any further consideration for vacancies occurring during that specific posting.

After all internal applicants have had the opportunity to accept or pass on the posted position and/or resultant openings, the remaining vacancy shall be filled by an external candidate.

Once a Custodian applies for a posted position and receives the assignment, the employee shall remain in the assignment for one calendar year. Should the employee request to return to their previous position under Article 45.4.2, he/she shall remain in

the previous position for one year from the return date. Any management related movement will not be held to the one (1) year restriction (e.g. promotion, transfer, new hire, recall, demotion, etc.).

New hires and employees coming into a new group will not have the option to apply for postings until completion of their probationary period.

47.6

Employees accepting a new position, in their current division, shall be placed on the same step in the new position as they held in the previous position.

47.7

In the event the senior applicant is denied the position posted, reasons for denial shall be given in writing to such employee. If the reasons are unsatisfactory to the employee, they may request an interview with the person who has written the reasons for denial, to review the points in contention. If the outcome of this meeting is not satisfactory to the employee, the matter may be subject to the grievance procedure.

47.8

Any job posting that would be subject to transfers under Article 48 will be filled after all proper transfers take place.

ARTICLE 48

Transfer

48.1

Transfers shall be defined as movement within classification or shift.

48.1.1

The term "shift preference" shall mean a permanent position change within a classification and/or group to achieve a desired building and/or shift.

48.1.2

Downgrades shall be defined as movement to a lower rated classification or lower pay rate.

An employee can downgrade from a "C" classification position to another "C" classification position.

Employees downgrading to a head custodian position must have a valid passing score on a head custodian test or have previously held a permanent head custodian position within the previous five years.

C-8 evening/night high school shift leaders, however, cannot downgrade into a head custodian position unless they have previously held such a position.

Employees who apply for a downgrade transfer to an "S" classification position must have

held the position in a permanent status at some time in the past or successfully test for the "S" position in order to down grade.

48.2

Involuntary transfers of the work force will be done for just cause. All employees to be transferred will be notified by the employer in writing the reason for such action. Where an employee feels aggrieved by such action, a special conference will be held. If a satisfactory agreement is not reached, the grievance will begin at Step 2 of the grievance procedure.

48.3

The number of substitutes working on a given day will not exceed the number of custodians absent that day. The District may increase this number by five (5).

In a layoff situation, laid-off employees will be paid their previous custodial wage if the number of subs exceeds the number of custodians absent that day. In this regard, the District will have available for review a weekly absence report show the number of custodians absent and the number of substitutes working for each day.

During the summer recess period, up to twenty-five (25) substitute custodians district-wide will be allowed to assist custodians with summer clean up, provided such assistance does not prevent employees from being offered customary overtime in accordance with article 50.12 and provided such assistance does not prevent the recall of a laid-off employee. These substitute custodians, furthermore, may not work Saturday, Sunday, holidays, or any overtime.

ARTICLE 49

Working Hours, Shift Premium Hours

49.1

Unless otherwise specified the work day(s) will mean regular scheduled working days.

49.2

49.4

WORKDAY FOR CUSTODIAL AND WAREHOUSE: Eight (8) consecutive hours of work within the 24 hour period beginning at midnight shall constitute the regular work day.

Operations supervisors shall post on bulletin board the regular shift the employee works and duties of each employee.

If two (2) calendar days are involved on a shift, (as is the case of the third shift), the calendar day on which the shift starts shall be considered the work day for computing overtime.

In the event that all employees on a shift in a building are to have a shift change, such notice will be given to the affected employees at least one (1) week in advance of such a shift change.

For the purpose of non-instructional days, not including Mid-Winter Recess, Spring Recess and Summer Recess, Head Custodians may request a shift adjustment for their afternoon/midnight shifts. The Head Custodian must make the request at least 48 hours prior to the requested shift change date. Late requests will not be accepted. The Head Custodian must also confirm through both the Building Administrator and the District's facility request service (FS Direct) that there are no activities requiring custodial coverage on the requested date prior to making the request to management. Management reserves the right of final approval.

49.6

Work schedules showing the employee's shift, work days and hours shall be posted on all Union bulletin boards. Management may temporarily transfer an employee from one building to another for a period not to exceed 45 days. The employee's shift will normally not be affected by such a move. Only in unique circumstances and with union agreement shall an employee's shift be changed. The Union will be consulted along with the employee prior to the actual move. An employee performing work at a different grade level from their normal assignment shall receive the higher rate in their step in the grade pay rate for such assignment.

49.6.1

If an employee receives an unsatisfactory evaluation, their refusal of retraining (not to exceed five (5) days), including a possible shift change, shall not be deemed a valid defense in the event a disciplinary action results from poor work performance.

49.7

CONTINUOUS OPERATIONS: Employees engaged in continuous operations are defined as being any employees or group of employees engaged in an operation for which there is regularly scheduled employment for 24 hours a day, seven (7) days a week.

The workweek for employees engaged in continuous operations shall consist of five (5) consecutive eight hour days.

49.8

All employees are expected to be at their regularly assigned working station at their scheduled starting time.

49.8.1

An employee will not be required to use their vehicle while performing their job unless an emergency situation exists. This excludes custodians who work in more than one building.

49.9

Employees will be permitted a "break" of fifteen (15) minutes the first half of the shift and also a "break" of fifteen (15) minutes the second half of the shift. Breaks will be permitted after two (2) hours of the normal working schedule have elapsed.

49.10

Full time Custodial and Warehouse employees shall be paid a thirty-minute lunch period. The employee may purchase food at a restaurant and eat at the most appropriate site for the lunch period with prior approval of their supervisor. Otherwise, the clear intent is that employees are to eat lunch on School District property.

49.10.1

Employees will be permitted sufficient time prior to the conclusion of the workday, to wash up as determined by the work schedule.

49.11

An employee returning for duty shall be guaranteed at least two (2) hours pay at the rate of time and one-half (1 1/2), except Sundays and holidays as specified in Article 51.

49.12

Overtime hours are to be rotated and equalized in the building, then the district. Saturday and Sunday overtime shall be assigned on Friday.

If an employee refuses Saturday or Sunday overtime they shall be charged for the hours refused and will not be asked again for that Saturday or Sunday. Exception: If an employee refuses a scheduled overtime assignment during the Christmas Recess, they will be charged but will remain eligible for further scheduled overtime assignments.

Saturday overtime shall be assigned first. After all Saturday overtime has been assigned, the Sunday overtime will be assigned by continuing down the same original lists. If all

Sunday assignments have not been filled when the list is completed, then the list will be started over, asking only those persons who have accepted Saturday assignments.

The lowest hour person will be offered the greatest hourly assignment starting with Saturday and this procedure will continue for the rest of the assignments on Saturday and also Sunday.

It is the obligation of the employee to notify their supervisor of availability for regularly scheduled overtime on a midweek Holiday, a normal two (2) day weekend (Saturday and Sunday), or an extended weekend (e.g. Thanksgiving, Christmas Recess, Mid-Winter Break, Easter, Memorial Day, Fourth of July, Labor Day, etc.) This notification must be in writing and with a phone number where they may be contacted. This notification in writing will be on a list, which will be in a conspicuous place in the building. The employee will sign up by 5:00 p.m. Wednesday.

If a person is absent for any reason on the work day immediately preceding a midweek Holiday, a normal two (2) day weekend (Saturday and Sunday), or an extended weekend, they will not be considered for overtime on that Holiday or weekend. If an employee does not sign the regular scheduled overtime sheet, it will be considered a refusal of overtime and so charged. All refusals will be charged if the rotation of the list is completed.

If a person has an unexcused absence without pay they may be excluded from overtime assignments for a period of time not to exceed ten (10) working days. During this ten (10) day exclusion they will be charged for any hours that would have been offered.

Emergency call-ins shall be any overtime other than regularly scheduled overtime and shall be assigned from the emergency overtime call-in sheets to the lowest hour person on said list within the building, except when specific expertise is required. No one shall be charged for the same time assignment twice. After regular scheduled overtime has been assigned on Friday, any deviation shall be processed as emergency call-in overtime. Any employee wishing to be considered for emergency overtime call-in shall sign up by each June 30 for the next fiscal year. If they fail to do so, they can add their name to the list upon proper notification to their supervisor. Failure to be available on six occasions during the fiscal year shall be cause for removal from the list until the next fiscal year.

When expertise is required, only employees qualified to perform the necessary service/s will be called to do so, and no others are to be charged for the call-in. For those employees who have been deemed qualified, call-in's shall be rotated and equalized within that group of employees. Management will determine which shift the expertise overtime will be assigned.

Overtime for snow removal shall be first offered to the onsite groundskeeper at the high school level, to the head custodian and/or assistant head custodian at the middle school level, and to the head custodian at the elementary level. Then the offer shall follow the same process as expertise overtime.

Overtime for emergency pool care shall be offered to the S1 classified employee first. Then the offer shall follow the same process as expertise overtime.

For the purpose of overtime, the warehouse group shall be viewed as one building.

A list of qualified employees possessing expertise skills will be developed for each work site by the department supervisor(s). Should other employees qualify after the inception of the original list they will be added to the expertise call-in list as set forth in 49.13.

Custodial employees may be removed from the overtime list, if they have signed up and refused overtime assignment(s) six (6) times during the year. A year is defined as July 1 through June 30. Exclusions will be made in cases of paid leaves.

Employees who wish to refuse overtime until further notice must sign an Extended Overtime Refusal Form.

49.13

Overtime rotation shall be recorded July 1 through June 30 each year.

All overtime hours for each employee will be recorded in one place (on one list). Employees transferred in accordance with Article 49.6 and employees who transfer and are assigned to a new work site shall be entered in the overtime rotation at the new site one (1) hour above the highest logged hour at the site less expertise hours. Employees who become qualified for expertise assignments shall be entered in their expertise rotation one (1) hour above the highest logged hour in that expertise assignment. Employees transferred in accordance with Article 49.6 who return to their original assignment will be placed on that building's overtime rotation in the same manner as above.

Temporary assigned employees who work in excess of twenty (20) consecutive work days at a new work site will be entered in the overtime rotation at the new site one (1) hour above the highest logged hour at this site less expertise hours. Immediately upon the return to their original assignment, the employee will be placed on that building's overtime rotation in the same manner as above.

ARTICLE 50

TIME AND ONE-HALF WILL BE PAID AS FOLLOWS:

50.1

Full time employees will normally work a regular eight (8) hour shift. Any hours worked in excess of their regular eight (8) hour shift, within a 24 hour period, including schedule, will be paid at the rate of time and one-half based on their standard hourly rate on quarter hour increments.

50.2

Double-time will be paid for Holidays and Sundays based on standard hourly rate except when a shift starts on Saturday and continues into Sunday, provided that hours in excess of eight (8) per day or forty (40) per week on such shift will be paid at time and one-half.

The District, furthermore, will provide groundskeepers foul weather gear. The gear supplied will be for school use only. It will be the responsibility of the employee to maintain their foul weather gear. Foul weather gear shall be part of the \$200 clothing allowance.

Head custodians, S-3 utility, and assistant head custodians may use all or part of their clothing allowance for foul wear gear. Any other employee who has enough suitable work clothes may request to use their yearly allowance for foul weather gear if the person works outside, either in their job or subbing.

It is agreed that the employee will be responsible for the upkeep and maintenance of all uniforms or other clothing provided through a clothing allowance. In addition, all union employees will wear identification badges supplied to them by the Board if so directed. Lost or stolen identification badges must be reported to Building and Grounds as soon as possible.

ARTICLE 52 Vacation Eligibility

These employees will be notified within ten (10) days of their request for the fourth/fifth (4/5) week of vacation, whether it will be granted in the form of vacation or in payment in lieu of vacation.

ARTICLE 53

Vacation Periods

53.1

Each twelve (12) month employee will be given a form on or before the first Monday of April each year. This form will contain the following:

1. Employee's name.
2. Number of vacation days for following fiscal year
3. Spaces for employee to fill in for requested vacation period(s).

Each employee must submit this form to the building principal by the last Monday in April or sooner. After review and consideration, the building principal will forward the form(s) to the Operations Supervisor. All vacation request forms must be submitted to the Operations Supervisor no later than the second Monday in May. The Operations Supervisor will notify employees no later than the first Monday of June as to whether their requested vacation times are granted. A copy of this form will be returned to the building principal. Changes or deviations from an approved request must be reviewed by the building principal. Employees may submit vacation change requests a maximum of three (3) times per year.

No employee, because of seniority, will be given preference over an employee who has been granted vacation(s) following the above procedure.

Building principals may block out up to a total of four (4) weeks per year (two (2) weeks in split assignments) which prohibit an employee from taking their vacation during specific time periods. These blocks must be in five (5) day increments of Monday through Friday. No more than two (2) five (5) day periods may be blocked out consecutively.

Employees will be allowed to use their personal business days in conjunction with their earned vacation days if they so request, in writing, prior to their approved vacation days. This is the sole exception to Article 36.3.

Vacations will be granted at such times during the year as are suitable, considering the employee and efficient operation of the department concerned. In the event it is necessary to limit the number of employees who have applied, after the last Monday of April for the same vacation period the senior employee(s) will be given preference.

53.2

Vacations will be taken in blocks of five (5) consecutive workdays. If the employee had less than five (5) vacation days to be used, they may be taken in consecutive days. Deviation from the above will be allowed with administrative approval, providing such scheduling does not drastically interfere with the operation of the school district.

53.3

When a holiday is observed by the Employer on a day other than Saturday during a scheduled vacation, the vacation will be extended one day continuous with the vacation.

53.4

A vacation may not be postponed from one year to another and made cumulative, but will be forfeited unless completed during each fiscal year.

53.5

FOOD SERVICES AND STUDENT MONITOR DIVISION

ARTICLE 56

Seniority-Non-Probationary Employees

56.1

Seniority shall be on a group basis as defined in Article 5.

56.2

Seniority is the guide rule for the purpose of job security which applies in the following categories:

- Vacation
- Transfer (within a classification)

- Downgrade (to a permanent position held before)
(Exception: Cafeteria per Article 60.2)
- Promotion
- Overtime
- Layoff
- Reduction in Force

56.3

Seniority is an employee's guarantee that he or she will have full employment as long as feasible as compensation for their years of devoted services.

56.4

Persons returning to Local Four who have prior seniority in the Local shall enter at the lowest hourly open position not applied for by a member of the Local when posted. This action shall not displace a member of MEA Local Four.

56.4.1

Local Four seniority will be frozen in the original group and/or classification, and will proceed from date of return, if applicable.

56.4.2

The employee will have ten (10) actual working days to determine whether or not to remain in the new position. If, for a valid reason given to the employer in writing, the employee decides not to remain in that position at any time during the ten day period, they shall revert back to position they left without loss of seniority and at their prior pay rate. If the position left is not available, the District will place the individual on special assignment until a position of like nature becomes available. At no time will the employee lose time or pay, because of the decision to return.

The employer, during this ten day period, has the right to evaluate the employee and, after showing just cause, either reassign them to their prior classification should the position still be open or assign the employee special duty in their group until a position of like nature becomes available. Notice and reason will be submitted to the employee with a copy to the Union.

When an opening occurs the same as the one the employee held prior to the new placement, the District shall place them into that position without the position being posted.

It is understood that the District's reassignment or assignment will be at the employee's prior pay rate without loss of seniority.

56.5

Persons returning to the Food Service or Student Monitor group from Management will be placed at the lowest hourly level. Using their frozen union seniority, they may then promote to an open position (higher time assignment) when an open position becomes available.

56.6

Employees entering into the Food Services or Student Monitor groups with other MEA Local Four seniority will have that seniority frozen in their original group and will establish seniority in their new group from the first day worked in the new group.

ARTICLE 57 Temporary Vacancies

57.1

FOOD SERVICES ONLY: Where management has prior knowledge of a temporary vacancy to exceed FIVE (5) days due to reasons not requiring Board action, the more senior employee within the building shall be offered an opportunity to fill said position on the first day of the employee's absence.

The employee who worked in the temporary assignment shall be returned to their former position upon the return of the employee they had temporarily replaced or the temporary vacancy is filled by Cabinet action.

57.2

Food Service employees in a temporary assignment will not be charged on the extra work sheet.

57.3

If an employee refuses or is unavailable to accept a temporary assignment when the vacancy occurs, they will forfeit their right to that assignment.

57.4

If an employee accepts a temporary vacancy assignment for a specified period of time they may not be offered another temporary assignment until the first assignment expires or until they have returned to their permanent classification for a minimum of one (1) working day.

58.1

The word "transfer" will be defined as a permanent position change within a classification or time assignment.

The term "time assignment preference" shall mean a permanent position change within a classification to achieve a desired building.

58.2

Involuntary transfers of the work force will be done for just cause. Any and all employees to be transferred will be notified by the employer in writing the reason for such action.

Where an employee feels aggrieved by such action, a special conference will be held. If a satisfactory agreement is not reached, the grievance will begin at Step 2 of the grievance procedure.

ARTICLE 59 Downgrade

59.1

- ◇ F6 Cafeteria Helper Elementary/Secondary (previously F2)

Classifications within the Student Monitor Group will be:

60.2

Management may conduct an interview to help establish the job competency of the applicants. Interviews will be for reclassification purposes only.

60.2.1

When an employee changes to a new classification within Food Services they shall be placed on the same step of the new position salary scale as the step they were on in their previous classification.

60.2.2

Elementary Cafeteria Leaders who were grandfathered in 06/07 for benefits shall retain their benefit rights until they retire, voluntarily transfer to an open position or have the seniority to transfer to an open position that qualifies for benefits. In the event that they have the seniority to transfer to an open position that would be eligible for benefits and they decline the position they shall forfeit their benefit rights under this article. This article is not intended to supersede seniority rights under article 56.2 or other related articles.

60.3

The Food Service Department will fill vacancies in the following manner:

The District will post approved vacancies on the District's website (<http://wwcsd.net>) for five (5) working days.

A copy of the posting will be sent electronically to every building and the Local 4 President. A copy will also be sent to the Cafeteria Leader in each building, who will be responsible for posting a hard copy in the building.

In order for an employee to be considered for the posted position, or any resultant openings from the posting, they must complete and submit an online Local 4 internal posting application form.

In accordance with Article 60.5, any job posting that would be subject to transfers under Article 58 will be filled after all proper transfers take place.

The District will then list and call each applicant in seniority order, based on qualifications. Each applicant will have the option of either accepting a position or passing. If a member can not be reached within forty-eight (48) hours, the District shall move to the next qualified person on the seniority list.

As members transfer via the posting, the resultant openings will be added to the vacancy list. The District will resume calling candidates in order of seniority and qualifications and resultant openings will be awarded based on seniority and qualifications. An employee who passed earlier in the process may elect to accept a resultant opening.

Acceptance of a position will remove the employee from any further consideration for vacancies occurring during that specific posting.

After all internal applicants have had the opportunity to accept or pass on the posted position and/or resultant openings, the remaining vacancy shall be filled by an external candidate.

Once a Food Service employee applies for a posted position and receives the assignment, the employee shall remain in the assignment for one calendar year. Any management related movement will not be held to the one year restriction (e.g. promotion, transfer, new hire, recall, demotion, etc.).

New hires and employees coming into a new group will not have the option to apply for postings until completion of their probationary period.

60.4

In the event a more senior applicant is denied the position posted, reasons for denial shall be given in writing to such employee. If the reasons are unsatisfactory to the employee, they may request an interview with the person who has written the reasons for denial, to review the points in contention. If the outcome of this meeting is not satisfactory to the employee, the matter may be subject to the grievance procedure.
